

NDIS Funding Check  
Please confirm prior to Registration

# Check your NDIS Funding

At this stage, we are able to accept registrations from self-managed or plan managed NDIS participants.

In accordance with NDIS guidelines, we cannot charge for food and accommodation, which our non-NDIS claimable amount covers. This must be paid from non-NDIS funds.

Our Camps & Events are pre-paid events so you'll need to confirm your funding is correct before we invoice you.

## Core Supports Funding

### Core Supports

Core supports help with my everyday activities, my current disability related needs and to work towards my goals. The Core Supports budget is the most flexible, and in most cases, funding can be used across the support categories (however, this may not include transport).

Goal/s my Core Supports funding can help me achieve:

Core Supports	Budget
<p><b>Community and social activity costs (Core: 04_210_0125_6_1)</b></p> <p>My Core Supports funding will be:</p> <p><b>Self or Plan Managed</b></p>	

### Community and social activity costs (Core: 04\_210\_0125\_6\_1)

This support is included in a participant's plan to enable them to pursue recreational activities and engage in the community when associated with a participant's disability and goals. Participants may use this funding for activities such as camps, vacation and outside school hours' care, course or membership fees

## Capacity Building Funding

### Capacity Building Supports

My Capacity Building supports are intended to build my independence and reduce my need for the same level of support into the future. My progress and outcomes from these supports will be shared at each plan review.

Unlike my Core Supports budget, my Capacity Building Supports budget cannot be moved from one support category to another. Funding can only be used to purchase approved individual supports that fall within that Capacity Building category.

Goal/s my Capacity Building Supports funding can help me achieve:

My Capacity Building funding can be spent in the following ways:

Capacity Building Supports	Budget
<b>Community participation activity (Capacity Building: 09_011_0125_6_3)</b>
